

Allied Pre Schools

Term: I

Class: Playgroup

Subject: Mathematical
Concept

Lesson Code	2022-05-23	Topic	Trace the dotted lines	Total Time	40mins	Teaching week	May 23-27
Subject	Mathematical Concept	Book	Number Writing Practice	Page #	1	Class	Playgroup
Objectives	Students will be able to trace on different patterns of dotted lines						
Learning Outcomes	Student will be assessed by their ability to trace on different dotted lines.						
Teaching Learning Strategies						Time	Resources
Simmering: Teacher will tell the students that they will trace the patterns on dotted lines. She will show them the dotted lines drawn on chart paper or plain pages and after pasting it (with tape) on board, she will trace it with a marker. She will also guide the students that they must follow the dotted lines to complete it.						6mins	Chart Paper/Plain Paper
Setting Up the Learning Corners: Teacher will set the learning areas by adding the new appropriate resource material with the help of the students. Give the instructions for using it before sending the groups into these corners.							
Focused Group: Students will trace the dotted lines to make different patterns on pg# 1.						8mins per group	Number Writing Practice
Art Corner: Students will make different types of shapes with the help of play dough and cutters.							Play dough cutters
Writing Corner: Student will trace different dotted lines on plain white sheet with the help of crayons.							Plain White Sheets Crayons
Wrap Up: Students will do tracing in air by moving two fingers in a way of tracing slanting and diagonal line patterns as shown by the teacher.						2mins	

Allied Pre Schools

Term: I

Class: Playgroup

Subject: Mathematical
Concept

Lesson Code	2022-05-24	Topic	(Introduction) Number 1	Total Time	40mins	Teaching week	May 23-27
Subject	Mathematical Concept	Book	Funmatics	Page #	1	Class	Playgroup
Objectives	Students will be able to identify and write number 1.						
Learning Outcomes	Student will be assessed by their ability to identify number 1 independently.						
Teaching Learning Strategies						Time	Resources
Simmering: Teacher will show the flash card of number 1 and then she will show them the poem related to number 1. She will hold a book in her hand and count the numbers of books i.e. "1". She will write number "1" on board and tell the students about its correct formation by tracing on that number. She will show pg# 1 of the Funmatics book to the students and ask them to tell how many clocks can they see? Video Link: https://www.youtube.com/watch?v=E88NeoaU-To https://www.youtube.com/watch?v=uXyWsP6TUV4						6mins	Whiteboard Funmatics Book Flash Card
Setting Up the Learning Corners: Teacher will set the learning areas by adding the new appropriate resource material with the help of the students. Give the instructions for using it before sending the groups into these corners.							
Focused Group: Students will trace the dotted lines on pg# 1.						8mins per group	Funmatics
Library Corner: Students will explore things that in number "1" from different books.							Books
Writing Corner: Students will write number 1 with crayon on a plain white sheet.							Crayon Plain White Sheet
Art Corner: Students will do some collage work on the big cutout of number "1"							Big cutouts of Number "1" Glue Coloured Papers
Plenary: Students will do air tracing of number "1" and sing nursery rhyme Hickory Dickory Dock.						2mins	

Allied Pre Schools

Term: I

Class: Playgroup

Subject: Mathematical
Concept

Lesson Code	2022-05-25	Topic	Number 1	Total Time	40mins	Teaching week	May 23-27
Subject	Mathematical Concept	Book	Funmatics	Page #	2	Class	Playgroup
Objectives	Students will be able to identify and write number 1.						
Learning Outcomes	Student will be assessed by their ability to identify number 1 independently.						
Teaching Learning Strategies						Time	Resources
Simmering: Teacher will show a stuffed toy to the students and tell them that there is only 1 stuffed toy in her hand. She will put that stuffed toy on her table and then paste the flash card of number “1” on the whiteboard to make the students get familiar with number “1”. Students will also learn to trace number “1” with the help of whiteboard.						6mins	*Stuffed Toy Flash card
Setting Up the Learning Corners: Teacher will set the learning areas by adding the new appropriate resource material with the help of the students. Give the instructions for using it before sending the groups into these corners.							
Focused Group: Students will trace number “1” on pg# 2.						8mins per group	Funmatics
Library Corner: Students will read number “1” written on the flash card and match with dominos card.							Flash Cards Dominos cards
Writing Corner: Students will trace on number with the help of paint on plain white sheet.							Paint Plain White Sheet
Language Corner: Students will trace number “1” on the sand letter.							Sand Letter
Plenary: Teacher will show a pencil to the students and ask them to count it.						2mins	

Allied Pre Schools

Class: Playgroup

Subject: Mathematical
Concept

Lesson Code	2022-05-26	Topic	Tracing Number 1	Total Time	40mins	Teaching week	May 23-27
Subject	Mathematical Concept	Book	Number Writing Practice	Page #	2	Class	Playgroup
Objectives	Students will be able to identify and write number 1.						
Learning Outcomes	Student will be assessed by their ability to identify number 1 independently.						
Teaching Learning Strategies						Time	Resources
Simmering: Teacher will show the flash card of number “1” to the students and ask them to tell about the number. She will draw the picture of a butterfly on the whiteboard and count it with the students. Teacher will paste the flash card of number “1” on the whiteboard along with the picture of butterfly for the students. Teacher will call some of the students and ask them to trace number 1 on white board.						6mins	Flash Card Whiteboard
Setting Up the Learning Corners: Teacher will set the learning areas by adding the new appropriate resource material with the help of the students. Give the instructions for using it before sending the groups into these corners.							
Focused Group: Students will trace and colour number “1” on pg# 2.						8mins per group	Funmatics
Reading Corner: Teacher will sing poem of number 1 written on pg#2.							
Writing Corner: Students will find flash card of number ”1” from other flash cards.							Flash Cards
Art Corner: Students will colour the butterfly.							Loose sheet Crayon
Plenary: Students will sing poem related to number 1.						2mins
